 - (7) The Government of the Republic of Bulgaria has undertaken to reform Bulgaria's armed forces, adopting a military doctrine to that effect in March 1999.
 - (8) The Government of the Republic of Bulgaria has stated its continuing support for the mission of NATO in supporting democratization and stability across Europe.

6	(B) for its establishment of a currency
7	board to ensure the value of the Bulgarian cur-
8	rency; and

10	criminal activities that undermine reforms and
11	the viability of Bulgaria's government and in-
12	dustry;
13	(3) the Government of the Republic of Bulgaria
14	should continue to implement programs that may
15	qualify Bulgaria for entrance into the European
16	Union and the North Atlantic Treaty Organization
17	(NATO) and is to be commended for its continuing
18	support of the NATO effort to ensure stability and
19	democratization across Europe;
20	(4) the Republic of Bulgaria is suffering the ad-
21	verse economic impact of the disruption of commerce
22	in southeastern Europe and an influx of refugees
23	caused by the conflict in neighboring Serbia;
24	(5) the Government of the Republic of Bulgaria
25	should ensure the expeditious ratification of all bilat-

- eral treaties that have been negotiated with the neighboring Government of the Former Yugoslav Republic of Macedonia;
 - (6) the Government of the Republic of Bulgaria should undertake steps to immediately halt any illicit transfer of arms and military equipment that may occur in Bulgaria or may cross Bulgarian territory;
 - (7) the Republic of Bulgaria should play a central role in any effort by NATO to create a joint peacekeeping military unit involving personnel from throughout the countries of southeastern Europe or in the creation of facilities in support of such a peacekeeping unit; and
 - (8) the United States should join other official creditors of the Republic of Bulgaria in providing Bulgaria with relief from such official debt through rescheduling and, where appropriate, forgiveness.
